Choose from pinnable, translucent, or writable materials

Shown with Series A Double Desks

Tool-free installation on any desk up to 1" thick

Writable glass panels are recommended for Series L Desks only

## PRIVACY PANEL

Our Privacy Panels offer sound and light diffusion in an open office environment. With options for use in multiple positions on Series A Desks and Series L Desks, the innovative technology is designed to expand your personal space.

### Bells + Whistles

- Available for Single or Double Series A and Series L Desks
- Installs in the side-to-side, face-to-face, or end cap position
- Both fabric and pinnable finishes offer sound-dampening qualities and can be used with pushpins
- Translucent acrylic and writable glass softly diffuse light and sight
- Glass panels are writable on one side; for use with dry erase markers
- Mix panels of varying lengths on the desk run to create customized space division
- Designed by Poppin in NYC
